

Sample Needs Assessment Tool: Interest Survey
A Health INTEREST Survey may stand alone (as in this example) or may be part of a comprehensive Health Risk Appraisal, such as the HEAR Survey.

**USS GATOR
WESTPAC 1997**
Health Promotion Program Interest Survey

Your Command Health Promotion Program is interested in what YOU would like in the way of Wellness Programs during WESTPAC 1997. We have already planned many events and programs but would like your individual input. Please rate the following topics in the order of their importance/interest to you (1 = most important, 2 = second, 3 = third, etc.). Please provide your own program recommendations in the "Comments" section. Stay Healthy and Thank You!

Tobacco Cessation _____

Diet/Nutrition _____
